We are almost done with securing a reserved parking space for you; the temporary sign is supposed to be up (I plan to stop by and inspect since no one confirmed the exact space they allocated for you). I asked about billing and as you'll see from the conversation, they normally would bill the department. The monthly charge is \$385 – unfortunately a significant increase from past years.

I'm saving this conversation in our Vendor folder, should we need to contact the parking manager at Impark (or her boss Jeff Cole) again: <G:/Budget/Vendors/SeaPark Reserved Space Judge>

The department will be billed for it. Would she rather it be deducted from her paycheck? The reason for that amount being is that it is private vehicle, if it was a city vehicle the price would \$300. It used to be \$85, but as of Jan. 1 2019 the rates increased.

Have a great day!

Thanks,

Hi Rita,

Upon checking the form that you filled out. I did want to let you know, that since it is for a private vehicle the rate is not \$85 it is for \$385.

Have a great day!
Thanks,

Maria Z. Reyes

Hi Rita,

A reserved sign has been placed for Lisa. The sign reads “**Reserved 24 hours #5**”. I am working on getting her a personalized sign, but for now this one will reserve her spot.

Have a great day!

Thanks,
Maria Z. Reyes

Thank you. Unless I hear otherwise, I will inform our dept. head to expect to have one of the spaces along the north wall on level 5 reserved for her.

We will get a generic reserved sign up until the new sign can be ordered. We will let you know when the sign has been mounted.
