

## **Marianne West Urbanist Questionnaire 2025**

City of SeaTac Council, Position 6

**What are your top three priorities to achieve in your term?**

veterans' services, advocate for the homeless, better transpertations

**How will you boost housing options, particularly for families of all incomes to live where they work? How will you engage the public for new shelters, transitional housing, emergency housing, permanent supportive housing? How do you weigh community objections with the housing goals for your jurisdiction, while encouraging engagement from neighbors?**

I would like to help bring better housing choices and opportunities for everyone

**Do you support adding progressive revenue sources? Which ones would you support to fund your priorities? Or what cuts would you make to balance budgets facing increasing strain under Trump?**

I would work with my fellow council members to find the best ways to support our city.

**What do you think is the most important strategy your jurisdiction can pursue to limit cost increases and make the region affordable to live in? How would you go about implementing that strategy?**

I am new to politics and am looking forward to learning how to be the best I can for my city.

**Traffic deaths are rising across Washington state, with pedestrians composing an increasing share statewide. What is your approach to making our streets safer for all users?**

As a fellow pedestrian myself, i aim to help any way i can.

**What is your approach to improving public safety over the next five years? How will you actualize it?**

I would be able

**How have federal funding cuts impacted your jurisdiction and how do you plan to address those impacts?**

I'm not sure but would work to help my city

**What are your views on the SeaTac Sustainable Airport Master Plan and how will it impact your jurisdiction? What plans do you have to address the impacts of the airport on your community?**

As the airport is in my city of SeaTac, just need to work together to with each other.

**King County has good policies and codes designed to protect agricultural, forest and rural lands, including our natural areas, waterways, and small rural communities. However, these policies and codes are too often not upheld and enforced. How will you ensure that rural lands are protected, and that violators are subject to enforcement?**

I would work with everyone to keep our waters and green areas protected.

**Do you support camping bans or sweeps? If elected, how would you adapt or change current law/policies to protect and support our neighbors?**

no, being homeless should not be a crime

**In what ways could your city's comprehensive plan go further, and what would you push for to improve it during your tenure?**

I would like to see more services for veterans to access the information available to them.
